

# Spider Sconce - 7 Arms

SKU: MSC-SP7

**Guéridon**  
SergeMouilleUSA

The largest of the Spider Sconces, this lamp is not only unique in its design, but equally impressive in an installation where it is the focal point of the room. Two identically long arms and two pairs of identical short arms with an odd length arm give this lamp its character.

Available in white or black with brass fittings.
